What is Title I?

David L. Rainer Elementary School is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it? This is a plan that describes how David L. Rainer Elementary School will provide opportunities to improve parent engagement to support student learning. David L. Rainer Elementary School values the contributions and involvement of parents in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that David L. Rainer Elementary School will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it developed? David L. Rainer Elementary School welcomes parent input and comments at any time regarding the plan. All parent feedback will be used to revise the plan for next year. The plan is posted on our school website for parents to view and provide feedback throughout the year. We also distribute an annual survey (online and paper sent home) that asks parents for their suggestions on the plan and the use of funds for parent involvement. Any parent comments indicating the plan is unsatisfactory will be submitted to the Director of Federal Programs.

What feedback was indicated? The annual survey revealed that parents prefer information instead of workshops on improving math skills, reading skills, and on test preparation. Parents also prefer information sessions and conferences held in the afternoon and evening over morning and lunch times. Activities will be planned to address these needs during the 2020-2021 school year. All efforts are made to address opportunities for regular meetings and events as requested by parents.

Who is it for? All students and their families are encouraged and invited to fully participate in the opportunities described in this plan. David L. Rainer Elementary School will provide full opportunity for the participation of parents and family members with limited English, parents with disabilities and parents of students with disabilities, parents of migratory children, as well as guardians of children served through the Methodist Children's Home. David L. Rainer Elementary School will offer childcare and transportation to the extent practicable upon request.

Where is it available? Once adopted, the plan is posted on the school website, in the parent resource center, and in the front office.

School-Parent Compacts

- ✓ As part of this plan, David L Rainer Elementary and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop together that explains how students, parents, and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students and teachers.
- ✓ Parents will retain a copy of the compact for their use.
- ✓ Additionally the compact can be viewed on-line, and will be provided to parents upon request. Teachers will review the compacts with parents during conferences.

Title I Meetings

David L. Rainer invites all parents to participate in scheduled meetings, to share ideas and ways to involve other parents, and to build partnerships with school, families, and the community. Meetings are held throughout the school year, but parents can also submit their ideas or suggestions during all activities and meetings as well as through our parent surveys and website. Each spring a Stakeholder meeting is held to collect feedback and review the school parent compact and Parent Family Engagement plans as well as gather input on expenditures for the Title I funds set aside for parent engagement expenditures. Input is also gathered on topics related to building the capacity of staff to collaborate with families for student achievement. An annual meeting is held each fall prior to November 1st to share the Title I documents and plans, and activities for the year.
